Presents

“The Fireground Dynamics and Leadership Seminar”

March 21st, 2009

9:00 AM – 5:00 PM

Max Larsen School

25 Parkhurst Ave. - Coldwater, MI 49036

Cost: \$50.00 per person

Branch County Michigan Firefighters

\$40.00 per person

This dynamic fireground encompassing seminar presented through some of the most prominent and experience fire service lecturers throughout the country is directed to all ranks within the fire service community. The content and delivery will leave you spirited and focused on all aspects of fireground behaviors and their tactics and strategies. The seminar will present the prominent concerns of rural and urban challenges regarding safe and aggressive firefighting, such as; rural firefighting operations with and without a truck, offensive residential fire attacks, challenges of tanker operations and water supply, risk management, battling fires within the fireground rapid dynamic, fireground safety, survival and much more.

Don't miss this unique and compelling presentation from some very spirited leaders that speak from the heart.
